AUDITORS' REPORT

The undersigned auditors of accounts of the Selectmen and Treasurer for the year 1910-11 report that they have examined the accounts and find the receipts to have been \$23,009.25 from Feb. 15, 1910 to Feb. 15, 1911 and disbursements paid on orders by the Selectmen from 1 to 256 inclusive, equal \$21,685.11 all of which are properly vouched and correctly cast.

FRED B HOLT
HERBERT G SILVER
Auditors.

Report of Town Library

Number of books loaned	8627
Smallest number in June	540
Largest number in April	934

It is assumed the patrons of the library have passed many pleasant hours among the books of the year and think it a great privilege to get them so readily. Lest we forget that privilege, let us consider if it's not sometimes abused. Frequently the book we want goes to another, and why? Someone has forgotten the golden rule. Our card has been slipped into the coveted book while we go away disappointed, perhaps blaming the librarian, who is perfectly innocent of the affair, for repeatedly sending the same old book. It certainly is not a pleasant experience and hope it will not occur again in the future. Another item of importance is not to forget to send in your card when going on a vacation or removal from town and thus save the wear of the books and show courtesy to the librarian. Also from a friend to the book in carefully cutting the leaves, not defacing them by torn or ragged edges and always remember to have plenty of numbers on your card. Notwithstanding these grievances there has been a larger circulation of the books than last year, showing the selections have been attractive and pleasing and that our little town library is placing before the readers well known and popular works of the day by the best writers. Through the generosity of kind friends the library has been the recipient of a few volumes as gifts. Perhaps it would be interesting to know the following books: A Certain Rich Man, It Can Never Happen Again, The Old Wives' Tale and Essay on Modern Novelists were recommended by the Rev. Frank Parks; Cadman of Brooklyn, to his congre-

gation for vacation reading. In others such as *The Building of the Strong*, the several biographies, works of Art and Nature, *The Great Sea Horse* by Mrs. Isabel Anderson and the popular *Rosary* will be found entertaining and instructive for all book lovers.

Report Town School District

During the past year, with the exception of one term at South Water St. our schools have been in charge of teachers of long experience.

Miss Sarah Sawyer has completed five years work in the primary department at the Plain. She still retains her reputation as a thorough, conscientious teacher.

Miss Lena Tuttle has returned to the Plain grammar school for another year and is working hard to bring her pupils up to the standard required of them.

In Sept. five pupils from this school began a high school course. Two in Concord and three in Penacook.

The changes in teachers at Water St. seemed to be unavoidable. The teachers in this and in the High St. school seemed to awaken a spirit of cooperation in their pupils and as a result good work was accomplished.

Our enumeration shows quite a decrease in the number of pupils in the district. The average daily attendance of all schools for the year ending July 15, 1910 was 54.6

Seven pupils from Canterbury have attended the Plain schools.

Pupils are required, by law, to read aloud at least once during the last year of the course below the High School, the constitution of the U. S. and of the state of N. H. To increase the interest in the study of Civics, Forman's Essentials of Civil Government has been introduced.

The old edition of Blaisdell's, Our Bodies and How we live, has been exchanged for the new edition.

To aid in the study of geography a supply of maps is needed. Five have been purchased this year and it is hoped a few will be added every year until each school room is well supplied.

Instruction in the principles of the humane treatment

of animals is required. To meet this, Black Beauty has been furnished the schools to be used by all pupils who are able to read the story.

Only a few necessary repairs have been made this year.

The foundation of the school house at Water St. needs repairing.

New desks and a new floor are badly needed in the lower room at the Plain.

We hope the district will vote to make an appropriation for these needed repairs.

We hereby notify the selection that the following sums are needed for the coming year,

High school tuition	\$120 00
Text books and supplies	75 00
Flag	5 00

Respectfully submitted,

ALLA J. CARTER
EDWARD WEBSTER
MYRTIE R. FISHER
